Re: Grease Gator Elite

Dear Steve,

Pauly Toyota is a family owned dealership with over thirty years in the automotive industry. We recently had the opportunity to participate in a one-month trial of the above unit. It is a privilege to be involved in the development of this amazing new technology. We were all "blown away" by the performance this aqueous unit **THAT CLEANS BETTER AND FASTER THAN MINERAL SPIRITS!** And with constantly clean solution and no hazardous wastes to deal with. I was skeptical about this cleaning innovation . . . not any more.

Sincerely

Tim Hargrove
