

Grease Gator Aqueous Parts Washer System

Description

How it works:

The Grease Gator Aqueous Parts Washer System uses innovative purifier technology to constantly purify its aqueous cleaning solution. Using gravity and a slow emulsifying cleaning solution, the Grease Gator not only preserves the power of the cleaning solution but also collects used oil so pure that is ready for recycling and has value. The Grease Gator performs the work other parts washers have to outsource.

Cross-section of Drum

An analogy to a consumer application can help visualize the Grease Gator's power. Imagine a washing machine that does an excellent job cleaning clothes while purifying the laundry detergent to be used over and over again and collecting the dirt to return to the garden. The Grease Gator accomplishes a similar feat for industrial fluids.

Powerful cleaning:

- Cleans 57% faster than mineral spirits.
- Eliminates microbial activity which is responsible for rapidly degrading cleaning power.

Environmentally friendly:

- 99.5% less VOC emissions than a mineral spirits parts washer.
- Eliminates 1,000 lbs annually of organic waste compared to a mineral spirits parts washer.
- No messy filters to clean or dispose.

Safe for workers:

- Non-hazardous, non-combustible cleaning solution, no hazardous fumes and no bad odors.
- Creates a safe working environment that improves morale.

Lower cost than current solutions:

- Operate the Grease Gator for \$25/month.
- Increase productivity by cleaning faster and better.
- Eliminate the need for fluid exchange services.

Gatorizer Specifications

- ☑ Preserves investment in sink. Easily reuse the sink, pump, light & lid.
- ☑ 1,500 W external mounted drum heating system. Keeps the heating element out of the solution for trouble-free heating operation.
- ☑ Digital 24 Hour Timer to Control Heater available to match your work schedule.
- ☑ Solution Capacity: 25 Gallons with available AutoFill feature to maintain water level.

You can pour oil directly down the drain . . .

. . . and the cleaning solution stays clean. The Power of Grease Gator Purification.

Grease Gator Elite

- ☑ Electrical Requirements: 120V/60 Hz/20A.

- ☑ 1-year warranty on all component parts, technical support included.

Empty Oil Collection Reservoir with a twist of a valve.. Oil is directly ready for reuse/recycling.

- ☑ Award winning technology: The Grease Gator has been recognized with two prestigious awards in 2005:

☆ The Chicago Innovation Award for Design.

☆ The Illinois Governor's Award for Pollution Reduction.
